

HIGHLAND GAMES

JUNE 13, 2009

Accessible group day tour, customized to your desires.

Gather your friends and come out to this great, once a year event!

Highlights:

Pipe Bands: Over 24 bands are expected to participate in the Highland Games this year. The games attract bands of the highest caliber in the world.

Highland Dancers: More than 400 of the best dancers will compete in the Georgetown Games. To watch these dancers perform is to understand why highland dancing is considered an athletic event in Scotland. The vigorous solo dances were once considered to be the exclusive domain of the highland warriors with the greatest dexterity and stamina.

Heavyweight Events: The competitors in the heavyweight events are individuals with extraordinary strength and stamina. While the Caber Toss is the best known and most difficult event, all events are extremely challenging. Contestants accumulate points in each event, and, at the end of the day the Supreme Champion is declared.
