

# SOUTHERN PORTUGAL 7 DAY SMALL GROUP TOUR

## Tour General Information

The 7 days Tour to Portugal is an exceptional opportunity to know Portugal, leaving you with a mixture of feelings and emotions only possible in our country. Every detail of this week was carefully planned by our team, where the splendour of Portugal is present in every single aspect: from history and cultural background, to the accessible accommodations.

We will visit the big cities of Lisboa, Faro Évora and Beja, the unexplored south coast of Portugal with their dramatic nature and experience the traditional Portugal in the typical village of Mértola. Since Portugal is very well-known in the world for its ancient castles from centuries of battles (Mértola, Beja, and Lisboa).

This 7 days Tour is done with a small group (limited to 8 passengers) to provide the most personalized approach making it possible to visit the deep interior and secrets of Portugal, like the small village Mértola, and many more along the south coast, where you'll feel like you are travelling back in time. The small group also allows to overnight in our selected 4\* hotels, always accessible to wheelchairs. We are sure that you will experience the roots of this 1200 year old ancient land.

We are a tourism company set up to offer innovative and quality excursions in Portugal, also accessible to people with reduced mobility. When you book our services, we want you to feel relaxed and happy. We provide customized tours for people with varying degrees of disability. Spinal injury victims, MD, MS and other physical or sensory disabilities. The escorted tours and all our accessible vacation are conducted in top of the range Mercedes Benz air-conditioned 9 seats vehicles. With 8 passengers, this ensures that during your tour, your driver/guide is able to give personal attention to everyone.

Wheelchair access is a priority on our vehicles. Our vans are totally accessible, having a mechanical lift and tie down points. If you prefer, you can transfer directly to a normal seat. Battery operated chairs are no problem as long as your charger works in Portugal's 220V power supply (don't forget your adaptor).
